

2017 ICPC World Finals Printing

Thanks to Dave Fenske and Anne Berendes with Fenske Printing for their outstanding professional assistance in editing, assembling, and printing the 2017 ICPC World Finals 100-page keepsake brochure, the 12-page pocket guide, and other ICPC materials.

Rapid City Day Innovation Seminars

New this year and open to the public are optional Technology Innovation Seminars in the RPCC Theater presented by leaders in global innovation of computer-related research and development. The seminars will be presented on Sunday, May 21 in the morning from 9:30am-12:00pm and will be repeated again in the afternoon from 1:30pm-4:00pm. No registration is required.

- Emerging Innovations in Additive Manufacturing by Rob Mudge
- Innovations in Server-less Computing by Bryan Cantrill
- Making Money Using Math by Erik Meijer

Gracious Hospitality

The participants for the 2017 World Finals will enjoy the splendor of the legacy attractions of South Dakota including Mount Rushmore National Memorial and Crazy Horse Memorial. The South Dakota Department of Tourism, the Rapid City Convention and Visitors Bureau, and the Rushmore Plaza Civic Center are eagerly awaiting the arrival of over 1,400 participants for their South Dakota adventure which starts in May. Participants will enjoy "Great Faces, Great Places" of Rapid City and South Dakota.

Host Community Volunteers

Over 218 community volunteers are registered to assist with the logistics of the 2017 ACM-ICPC World Finals and 1,400 participants during the time period of May 15-25. Seventeen volunteers have signed up to be Social Greeters. The social greeters will connect via e-mail with the contestants, share information on activities in Rapid City, and provide insight for our visitors from around the world.
